

Dear Account Holder of domain Croatia,

the Association of Issuing Bodies (AIB) is renewing its HUB, which interconnects the EECS registries of AIB members.

The deployment of the new Hub will be carried over during the next weekend and the Hub will go down on March 4th. The target go-live of the new hub is 7th-8th of March. **All message transfers must be completed at the very latest by Friday 4th March at 16:00 CET to allow for transition preparation over the weekend.**

We will make a separate announcement once the new Hub is operating.
